OBJECTIVE

A Computer Science undergraduate passionate about translating technical concepts into clear, compelling content. Skilled at researching complex domains – fintech, renewable energy, and product strategy – and distilling insights into structured, reader-friendly writing. Seeking a fresher content writing role where analytical thinking meets creative communication.

EDUCATION

VIT University

Madhya Pradesh, India

B.Tech in Computer Science and Engineering — CGPA: 8.09

2022 – Present

- Relevant Coursework: Marketing Analytics, Data Analysis, Database Management Systems, Software Engineering.
- Regularly communicated technical findings through structured reports, written analyses, and academic presentations.

SKILLS

Writing & Communication: Technical Writing, Blog & Article Writing, SEO Fundamentals, Editing & Proofreading, Storytelling

Research & Strategy: Market Research, Audience Analysis, Competitor Research, Data Interpretation, Content Structuring

Tech & Tools: Python, SQL (MySQL), Google Analytics, Microsoft Excel, Power BI, JIRA, Figma

Domain Knowledge: FinTech, Renewable Energy, Product Lifecycle (SDLC), Consumer Behaviour

WRITING & CONTENT PROJECTS

FinTech Feature Documentation – Smart Credit Score | *Technical & Explainer Writing* Oct 2025 – Jan 2026

- Produced end-to-end written documentation for a credit scoring feature, explaining complex financial variables (DSCR, repayment capacity, risk segmentation) in plain language for both technical and non-technical stakeholders.
- Wrote product requirement narratives and decision-framework explainers that aligned cross-functional teams around a shared understanding of user pain points and feature logic.
- Simplified automated loan approval workflows into step-by-step written guides, reducing onboarding time for internal reviewers and improving clarity across the product team.

CERTIFICATIONS

Marketing Analytics – Elite Certification

NPTEL, IIT Kharagpur

Data-driven decision making, customer segmentation, CLV analysis, and demand forecasting

2025

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Hackathon Organiser – MERN Matrix Club

VIT University

Communications & Event Lead

- Wrote all event-facing content – theme narratives, problem statements, promotional copy, and sponsor outreach materials – for a 200+ participant hackathon, maintaining a consistent brand voice throughout.

Volleyball Team Captain

VIT University

Sports Leadership

- Captained the college team, analysing opponent strategies and directing real-time game adjustments – building structured analytical thinking and clear communication under pressure.
- Organised intra-college tournaments, managing scheduling communications across players, referees, and administration.

ADDITIONAL INTERESTS

Creative Arts: Drawing & Sketching – a visual sensibility that informs strong awareness of design and content presentation. **Sports:** Cricket, Volleyball, Badminton.
